

**A leading supplier of  
Premium Quality Oils,  
Shortenings & Margarines**

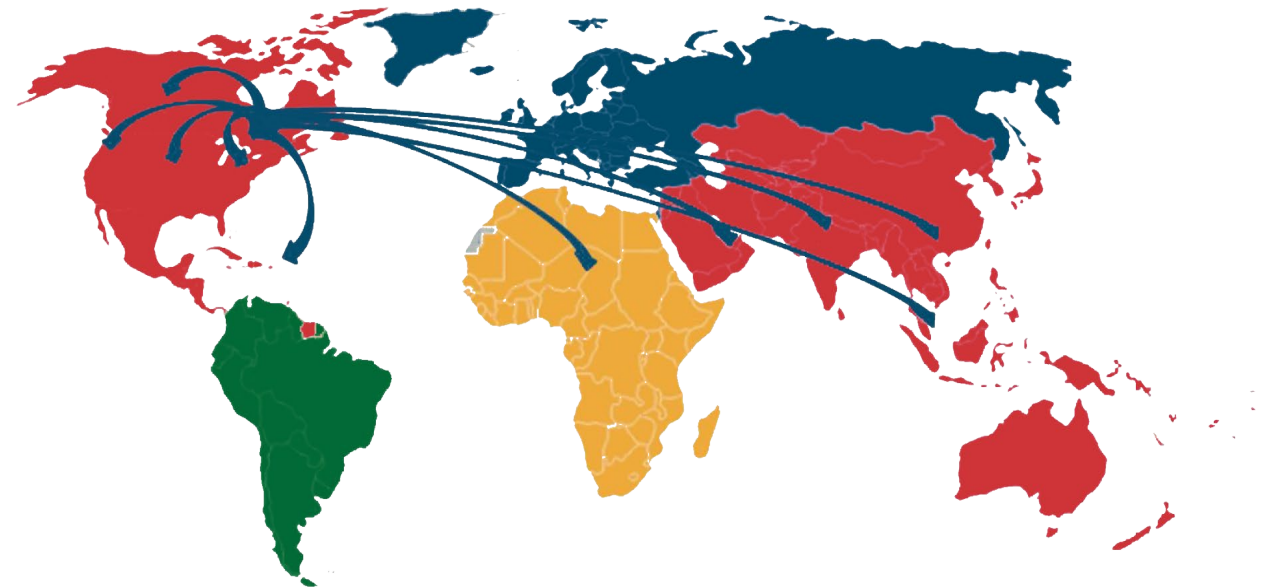

## HISTORY

- ▶ From humble beginnings more than two decades ago, Saporito Foods has grown to become a major destination point for bulk oils and shortenings for North American Refineries and Oilseed Crushers.
- ▶ Saporito has become one of the largest independent FOOD OIL suppliers in North America, and is a major supplier of oils, shortenings, animal fats, and margarines to the market.
- ▶ Saporito operates a state of the art bottling facility, that boasts the latest technology in filling and robotics, and can handle tremendous throughput and volumes.
- ▶ Saporito continues to grow in volumes and sales, and will continue to focus on the North American Retail, Foodservice and Industrial channels.

## THE COMPANY

- ▶ Producer of top customer brands in Canada
- ▶ Operational excellence enabling consistent supply of high-quality products
- ▶ Dedicated team of foodservice oil specialists
- ▶ Proven track record of speed to market with excellent fill rate
- ▶ Strict adherence to food safety policies and quality certification including SQF GFSI certification (Global Food safety Program)
- ▶ State of the art bottling facility utilizing the latest manufacturing robotics
- ▶ Commitment to the environment and initiatives to help reduce greenhouse gas emissions, generate savings in energy consumption, reduce waste and increase recycling habit

## WORLD WIDE CUSTOMER BASE

## SAPORITO STRATEGY

### PRODUCTION PLANT

Through strategic partnerships with the crushing industry, Saporito has become a major destination point for BULK oils. Saporito manages large quantities of oils, efficiently, consistently through an experienced and professional team. This ability to handle large volumes of oils, has given Saporito unique access to exceptionally competitive pricing from North American Crushing partners.

### INNOVATION

Being innovative with blending abilities, healthy products and environmentally sound packaging, indicates to the consumer that Saporito is on the leading edge to respond to market changes and demands for healthier and lower-cost eating options.

### SERVICE

Saporito provides a service level that is unmatched in the marketplace.

-----  
Delivering product consistently on an ON-TIME and as SCHEDULED basis.
